Davidson Primary Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

What does 'Safeguarding' & 'Child Protection' mean?

- At Davidson, all of the adults around you think your health, safety and welfare are very important.
- In our school, we want to keep you safe and help protect your rights.
- We do our best to help you make good progress in your school work and to be happy.
- We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

How will the staff at Davidson protect you?

- We provide a safe environment for you to learn in.
- We want to ensure that you remain safe at home as well as at school.
-
- We think it is important for you to know where to get help if you are worried or unhappy about something.

Safeguarding Leads

Safeguarding Lead

Deputy Safeguarding Lead

At Davidson, we have 'Safeguarding Leaders'. They are trained to help children & adults if they are really worried about something. If there is something worrying you about school or home, you or your parents & teachers can speak to one of them.

Remember, you can talk to any adult in school if you are worried about something, but they may have to tell the 'Safeguarding Leaders' for your safety.

If you need to talk, we will listen!

- Someone is **upsetting** you
- Someone is saying things that you do not like or make you **sad**
- Someone is **touching** you where they shouldn't
- Someone is **hitting** or **hurting** you
- Someone is sending you **unkind messages** on the internet or to your phone or iPad

Let someone know!

'Speak Out. Stay Safe.'
